**Marketed places:** About 10% of places are allocated as part of the Marketed Places Scheme. The scheme enables parents who are able to pay the full market charges to apply for a place. These places are allocated first to those who live in Islington, second to those who work in Islington, and third to other applicants. Parents who do not live in Islington can only apply for a marketed place.

**I would you like to be considered for a marketed place? YES/NO**
